

Alcohol, Cannabis and Tobacco Policies for Mantario Cabin

- Responsible use of alcohol is permitted at the cabin only. Trip leaders reserve the right to request a zero-alcohol trip at their discretion.
- Small amounts of personal alcohol (eg 2 cans of beer or wine, or a small flask) are a recommended limit per person for a 4-5 day trip. Pack out your own containers. No glass bottles, please – they are extremely heavy and dangerous when broken.
- Alcohol consumption will be permitted on dry land at the cabin only. Absolutely no swimming or paddling a canoe while under the influence of alcohol!
- Smoking will only be permitted in outdoor designated areas away from flammable habitats (eg a rocky shoreline or the airplane dock at Mantario Cabin).
- All smokers must bring and use a container to pack out their personal cigarette butts.]
- No cannabis with exemption of medical prescription. This is in following Manitoba Parks regulations for public places in the parks - https://www.gov.mb.ca/sd/pubs/parks-protected-spaces/cannabis_pp.pdf
